FOR CHRONIC COUGHS

Milton, Pa., Woman Has Found a Remedy.

Mrs. Howard Wagner of Milton, Pa., says: "I had a bad cold for months, and would cough every night until midnight. I consulted a doctor and took two kinds of medicine but got no relief. Vinol was recommended and after taking it a week I could sleep all night without coughing once. I continued its use and now have a fine appetite, never felt better and my cough is entirely gone."

It is a well known fact that when a person is run-down, stomach out of order, or the system overloaded with waste matter, vital resistance is lowered and colds and coughs are easily contracted.

The safest and surest method we know to overcome this condition is by taking our delicious cod liver and iron tonic, Vinol. In the most natural manner Vinol tones up the digestive organs, promotes a hearty appetite, enriches the blood, and as a specific for chronic coughs, colds and bronchial troubles Vinol is unexcelled.

Try a bottle of Vinol on our offer to return your money if it fails to help you. J. C. Pecor, Druggist, Maysville, P. S.—For rough, scaly skin, try our Saxo Salve. We guarantee it.

MASON FISCAL COURT

Adopted Resolutions of Respect On The Death of Squire William Rosser.

We, the undersigned John W. Holliday, Charles Wallingford and Thomas D. Slattery, a Committee appointed to draft suitable resolutions regarding the death of William Rosser, deceased, would respectfully report:

Since the last regular meeting in October, 1913, William Rosser, an honored member of this Court, has departed this life, having died on the 15th day of December, 1913, at the age of sixty-nine years. "Captain" Rosser, as he was familiarly known, was born in Virginia, June 3, 1844, served in the Confederate army and came to Kentucky with his family shortly after the close of the Civil War, and had resided here ever since. He filled various offices in Mason County and the City of Maysville, and at the time of his death was a highly esteemed and honorable member of this Court.

Captain Rosser, in his capacity of citizen, official, husband and father, was justly entitled to and received the respect and good will of the community.

Therefore, Be It Resolved By This Court:

That in the death of William Rosser, Mason County has suffered the loss of a good citizen; the magistracy an upright and honorable Justice; and his family a kind and loving husband and father.

Respectfully submitted,
CHAS. WALLINGFORD,
J. W. HOLLIDAY,
THOS. D. SLATTERY,
Committee.

1,000 TONS OF EGGS FROM CHINA

In a Single Cargo Help to Reduce the Incomes of American Farmers' Wives and Daughters.

(Topeka (Kan.) Capital.)
Vancouver, B. C. — The largest consignment of Chinese eggs ever shipped from the Orient to America was received here today on the steamship Empress of Russia. The shipment, weighing 1,000 tons, contains 6,792,200 eggs. Most of the eggs are consigned to points in the United States.

"The above from the daily press tells its own story," said J. T. Botkin, candidate for Secretary of State, yesterday in a signed statement. "It is but one of many such shipments that are coming into our ports almost daily from all parts of the world."

If this shipment of eggs were made into an omelet it would cover approximately 30 acres of ground. If put into ordinary egg cases and piled one on top of the other it would make a monument of hen fruit 40 miles high. If served to the public of Kansas it would furnish breakfast for our entire population for a week.

This means that the ever helpful hen of Kansas must lay off for a week or work without profit. If these eggs could have been furnished by Kansas instead of China and sold at 15 cents per dozen it would have added to our exchequer \$84,904.50, and this money would have been put in circulation here. As it is this money has gone across the ocean to the other side of the world to aid the commerce of a people in whom we have no interest.

Hits Kansas Industry.

The present tariff law is a direct assault on the egg market and the poultry industry of the United States and especially of Kansas. For years the income from eggs in our State has been the prerogative of the wife of the Kansas farmer. With it she has clothed herself and daughters. If mother wanted a new dress or Mary a new hat or Martha a new hair ribbon to wear to school, the eggs were gathered and taken to town and at the prices prevailing for the past 16 years, mother and Mary and Martha were pretty well dressed. In addition mother supplied the table with sugar and coffee and other luxuries with the proceeds from the eggs sold. But with our ports open to the world and eggs coming in by the ship load it is no wonder the price has gone down. The reduction will be keenly felt by the Kansas farmer and his family.

Loading is an easy profession only for men who don't understand anything else.

Every now and then a man is so busy hunting for his Rabbit Foot and his Lucky Charm that he fails to hear Opportunity hanging at the door.

BRINGING TOGETHER FARM AND CITY

Trolley Freight Is to Be Big Factor In Improving Condition for Both

The development of trolley freight in many sections would mean that the gates in each and every farm would then not only swing outward to send an increasing volume of products to the city consumer, but they would also swing inward to allow the entrance of goods made or sold in the nearby city. The result would be a closer interweaving of the agricultural, economic and social interests of country and city to the end that confidence would supplant distrust and co-operation, indifference; thus both the city's position as an urban center and the value of the outlying farms would be greatly enhanced. —Aera.

NEVER SUSPECTED KIDNEY TROUBLE

Gained Fifty Pounds in Weight.

Some time ago I was suffering from what I supposed was rheumatism. I became so bad that I could hardly get up from a sitting position. I ran down in weight from 195 to 145 pounds. I tried different kinds of medicine but received little or no help. I saw Dr. Kilmer's Swamp-Root highly recommended for kidney trouble but I never had any idea that my kidneys were affected. I thought I would try a fifty-cent bottle of Swamp-Root and see what the effect would be. I commenced taking it according to directions and in a few days I saw that it was helping me. I used the fifty-cent bottle and then bought three more dollar bottles and they completely cured me. I have gone back to my original weight—195 pounds—and I am a thorough advocate of Dr. Kilmer's Swamp-Root as I believe it to be a remarkable preparation for what it is recommended to do. WILLIAM H. PARTCH, New Haven, Ct.

Personally appeared before me this 4th day of September, 1913, Wm. H. Partch, who subscribed the above statement and made oath that the same is true in substance and in fact. D. A. ROLEAU, Justice of the Peace.

West End Property for Sale

We have for sale some very desirable homes on West Second St., also some vacant lots.

Frame house of eight rooms at No. 478 West Second St. This house is modern throughout. We think the best house in Maysville at the price we are offering it for.

Brick house of seven rooms No. 640 West Second St. We can't see why one would figure on building, when you can buy a home as complete as this one for the price we have on this place.

Frame house of six rooms, No. 450 W. Second St. This house has gas, and is not a high price home. If you want a medium priced place let us tell you of this home.

The home of Mr. D. A. Emmitt on West Second St., with about one and one half to two acres of ground. Mr. Emmitt has bought a farm and wants to sell this home, therefore we have the price absolutely right on this property.

One has only to look about to see the great improvements that are going on in the West End, so why not take advantage of the situation, and buy a home in the section of the city where property is advancing?

PRaise for Rev. J. M. EVANS

Presbyterian Church at Corbin Adopted Resolutions Most Profusely Indorsing Rev. Evans' Great Work For the Church.

At the Sunday School hour, at the Presbyterian Church in Corbin, Kentucky, on May 3rd, 1914, among other business done and transacted there, Brother J. C. Mershon was chosen Moderator, and upon motion of S. H. Kash, which was duly seconded and carried, the Moderator appointed the following Committee to draft Resolutions regarding the services of Rev. J. M. Evans, which were held and conducted by him during his recent stay among us, and which Committee reported the following at the Prayer Meeting on the night of May 6th, 1914, which were adopted by unanimous consent:

Whereas, under the wise Providence of Him who makes no mistakes, our dearly beloved brother in the Lord, Rev. J. M. Evans, was directed to this Church and community recently, to hold a series of meetings among our people, to visit and counsel with them and aid in directing their steps aright in the paths of righteousness; and Whereas, by his matchless learning, his logical, prayerful, God-fearing, heartfelt, eloquent, elevating and always interesting sermons, this Church has been made to see and feel, have and enjoy a new season of growth and renewed hope hitherto unknown and unfelt by this people, in numbers, brotherly love and spiritual communion;

NOW THEREFORE

Be It Resolved, that this Church as a whole, for each member and those worshipping here and for the community at large, extend to our dearly beloved Brother, Rev. J. M. Evans, our sincerest thanks for his faithful, unfaltering, untiring and eminently successful efforts while among us, and that embodied in our love and esteem for him, we extend our unceasing prayers to the Almighty, that: "As his days may demand, shall his strength ever be;" and that his robe and crown of Glory may be commensurate with his labors on Earth to enrich the Kingdom of his God.

The political enfranchisement of woman is a doctrine viewed by many as so radical and revolutionary that the suggestion of its being compatible with any of the long established conditions of law and order is likely to be met with grave doubt.
